(2) An award in respect of the disablement of a member shall not be made unless a claim in respect of that disablement is made within seven years from the termination of that member's service.

(3) An award in respect of disablement shall, unless the member's condition permits a final settlement of the degree of the disablement, be made on a temporary basis until a final settlement of the degree of that disablement can be made.

7. (1) The category of disablement shall be in accordance with the table set forth in Schedule 2 to these rules.

Determination of degree of disablement.

(2) The Board shall assess the degree of disablement, due regard being had to the provision of paragraph (3) of this rule, and for this purpose, may require the applicant to be medically examined.

(3) The degree of disablement due to war service of a member shall be assessed by making a comparison between the condition of the member as so disabled and the condition of a normal healthy person of the same age, without taking into account the earning capacity of the member in his disabled condition in his own or any other specific trade or occupation, and without taking into account the effect of any individual factors or extraneous circumstances:

Provided that where a disablement is due to an injury specified in Schedule 3 or is a disablement so specified, and, in either case, has reached a settled condition, the degree of that disablement shall, in the absence of any special features, be certified for the purposes of this rule by reference to the percentage specified in that Schedule as appropriate to that injury or to that disablement:

Provided further that, where such disablement is due to more than one wound, injury or disease, a composite assessment of the degree of disablement shall be made by reference to the combined effect of all such causes of the disablement.

Award of pension where disablement not less than 20 per cent.

8. Where the degree of disablement is not less than 20 per centum, the Board may award a pension in accordance with the table set forth in Schedule 4 to these rules.

Award of gratuity where disablement not less than 20 per cent.

9. Where the degree of disablement is not less than 20 per centum, the Board may, in addition to any award made under rule 8 of these rules, award a gratuity in accordance with the table set forth in Schedule 5 to these rules.

Award of gratuity where disablement less than 20 per cent.

10. Where the degree of disablement is less than 20 per centum, the Board may award a gratuity in accordance with the table set forth in Schedule 6 to these rules.

Surgical appliances to be supplied free.

11. In cases where the nature of the disablement renders surgical appliances necessary, such appliances shall be supplied free of cost to the member.

Payment of balance of pension of deceased person.

12. Where a pensioner dies and at the time of his death there is due to him any pension, such pension shall be distributed by the District Commissioner of the district wherein the deceased ordinarily resided in such proportion and manner (including distribution by instalments) as the District Commissioner, in his absolute discretion, may think fit due regard being had to the native customary law or any other law applicable to the particular case.

AWARDS IN RESPECT OF DEATH.

Limitation of time of claim.

13. An award in respect of the death of a member shall not be made unless his death takes place within seven years from the termination of his service.

14. In the case of the death of a member, the Board may award a gratuity at the appropriate rate set forth in column 4 of Schedule 5 to these rules, and the District Commissioner of the district wherein the deceased had ordinarily resided shall distribute the same in such proportions and manner (including distribution by instalments) as he, in his absolute discretion, may think fit, due regard being had to the native customary law or any other law applicable to the particular case.

Award of gratuity in respect of death.

GENERAL PROVISIONS.

15. (1) Where the Board is satisfied that compensation has been or will be paid to or in respect of a person to or in respect of whom a pension or gratuity is being or may be paid or that any compensation which has been or will be paid will benefit such a person, the Board may take the compensation into account against the pension or gratuity in such manner and to such extent as it may think fit and may withhold or reduce the pension or gratuity accordingly.

Adjustment of awards in respect of other compensation.

(2) Where the Board in any case considers that it is by reason of some act or omission by or on behalf of a person to or in respect of whom a pension or gratuity is being or may be paid that—

(a) there is no compensation to be taken into account against that pension or gratuity under paragraph (1) of this rule; or

(b) the amount of compensation so to be taken into account against that pension or gratuity is less than it would otherwise have been;

and the Board is of the opinion that such act or omission was unreasonable, the Board may assess the amount of the compensation which, in its opinion, would have fallen to be taken into account as aforesaid but for such act or omission, and may, for the purpose of paragraph (1) of this rule, treat the amount so assessed as if it were compensation which could be taken into account under paragraph (1) of this rule against that pension or gratuity.

(3) In this rule “compensation” means—

(a) any periodical or lump sum payment in respect of the disablement or death of any member, or in respect of any injury, disease or incapacity sustained or suffered by any member, being a payment—

(i) for which provision is made by any Ordinance, scheme or other instrument whatsoever; or

(ii) which is recoverable as damages at common law; or

(b) any periodical or lump sum payment which, in the opinion of the Board, is recoverable or payable—

(i) under any enactment, scheme, Ordinance, regulation or other instrument whatsoever promulgated or made in any place outside Sierra Leone; or

(ii) under the law of any such place;

and is analogous to any payment falling within sub-paragraph (a) of this paragraph; or

(c) any periodical or lump sum payment made in settlement or composition of, or to avoid the making of, any claim to any payment falling within sub-paragraph (a) or (b) of this paragraph, whether liability on any such claim is or is not admitted.

Power of
Governor to
review or
order review.

16. (1) The Governor may at any time direct the Board to review any award made under these rules in any case where—

(a) there is a substantial increase in the degree of disablement which is due to the original cause;

(b) the rate of the pension or other award has by error been fixed at a figure which is not appropriate to the assessment of the degree of disablement;

(c) the award has been made by error; or

(d) the Governor has reason to believe that the award has been obtained by improper means.

(2) On any review under this rule, the Board may confirm or vary the award, or make a fresh award in place of it, or cancel it, as may be appropriate having regard to the provisions of these rules.

Administra-
tion of
pensions, etc.

17. (1) Subject to the provisions of section 10 of the Ordinance (which relates to the forfeiture of pensions and allowances) and the provisions of rule 14 of these rules (which provide for the distribution of awards made in respect of death), the Board may give such directions as it thinks fit for the administration of any pension or gratuity awarded to or in respect of any person, if that person—

(a) is a minor; or

(b) is, in the opinion of the Board, incapable of managing his own affairs; or

(c) is detained in a public institution.

(2) Subject to the provisions of rule 14 and subject to any directions of the Board given under paragraph (1) of this rule, the payment of pensions awarded under these rules shall be made monthly, and the payment of gratuities awarded under these rules shall be made in single payments, by instalments or in such other manner as the Board may direct.

18. The Board may withhold or reduce any award which may be made, and the Governor may withhold, cancel or reduce any award which has been made, under these rules in respect of the disablement or death of a member in any case in which the wound, injury or disease on which the claim to the award is based was caused or contributed to by the serious negligence or misconduct of the member, or in any case in which the death of the member was so caused or contributed to.

Serious
neglect or
misconduct.

19. (1) Where the Board is of opinion that a member should in his own interests receive surgical, medical or rehabilitative treatment for a disablement in respect of which a pension may be or has been awarded to him, and the member refuses or neglects to receive the treatment, the Board may, if it considers that such refusal or neglect is unreasonable, reduce any pension in respect of the member's disablement by such an amount, not exceeding one-half of any such pension, as it may think fit.

Refusal of
treatment.

(2) For the purpose of this rule, any misconduct on the part of the member which, in the opinion of the Board, renders it necessary for any treatment that he is receiving to be discontinued, may be treated as a refusal of the member to receive the treatment.

20. Where a payment of pension is not claimed within one year of the date upon which it became due and payable it shall lapse:

Unclaimed
pension to
lapse.

Provided that the Governor may, in any case where he is satisfied that the failure to make the claim within the period prescribed by this rule is due to circumstances beyond the control of the pensioner or to any other good and sufficient cause, direct that such payment be made notwithstanding the failure to claim it within the prescribed period.

21. Except in so far as the Governor may otherwise direct with respect to any particular case or class of case, payment of a pension shall not be made in respect of any period preceding the date of the application for an award.

Arrears.

Award of
temporary
treatment
allowance.

22. (1) Notwithstanding anything in these rules, the Board may award to any member whose service has been terminated a temporary treatment allowance in respect of any period for which the member is receiving hospital treatment.

(2) Such allowance, together with any pension awarded under these rules, shall not exceed the amount of the pension for which the member would have eligible if his degree of disablement had been assessed at 100 per centum.
